PICK UP PLAYERS

All players participating in the tournament must be properly registered through the OWHA to play on the team with which they are listed, or qualified to play by a proper OWHA "Pick Up Player for Tournament Form".

The form must be completed in full and **signed by the pick up players regular coach** (not the coach of the team participating in the tournament) and provided to the tournament at **Headquarters** during the team registration process prior to the team's first game of tournament.

No 'pick up' players will be permitted after the team's first game of the tournament.

Pick up players are not permitted to replace suspended players.

For each pickup player used in a tournament, a team must:

- (a) Disclose in writing on the official game sheet that the player is a pickup player; and
- (b) Present the Tournament Host with a "Pick up Consent" form signed by the official contact of her team authorizing her to be a pickup for the specific tournament.

A team may use a maximum of three (3) pick up players from:

- (i) A lower category of the same age division,
- (ii) Lower category and/or lower age division, same category or lower,

to bring the total team strength up to, but not to exceed the number of registered players on the team.

Pickups are to be registered OWHA players only and the pickup player may only participate with one team during the tournament.

A player's own team must honour any suspension incurred by that player while acting as a pickup player for another team.
