

Things to Know

Coaches & Managers,

We are just a week away until the puck drops on tournament play and we just wanted to share some tournament details with you that you can share with your teams.

Team Check-ins:

As you arrive for your first game if we could have one person from the U9 – U15 teams check in at the tournament office/table. You will pick up the player swag (drawstring backpacks) and 4 player of the tournament awards (mini sticks).

Tournament Awards:

We are providing 4 different mini-stick awards that each U9-U15 team can award when you choose to – either after a game or at the end of the tournament. The awards are as follows:

1. **Rising Star of the Tournament** – Highlighting an up-and-coming player who continually works to improve.
2. **Heart & Hustle Award** – Given to the player who shows the most grit and determination.
3. **Playmaker of the Tournament** – For the player with the most assists or creative plays.
4. **All-Around Player of the Tournament**– Recognizing a player who excels in multiple areas of the game.

Medal Presentations:

Medal presentations will be made on ice at the conclusion of each Championship game. Gold and Silver medals will be presented to each player and a banner will be presented to the winning team.

Tournament Apparel:

Custom tournament sweatshirts and t-shirts will be available on Saturday and Sunday at Delpark Homes Centre and Campus Ice Centre.

Vendors:

There will be a selection of vendors participating throughout the weekend.

They will be located in the meeting room between Pads 1 & 3 at Delpark Homes Centre and in the Lobby at Campus Ice Centre.
